EXPRESSION OF INTEREST (EOI)

The WB State Hand. WCS Ltd. (TANTUJA) Invites Expression of Interest from registered and licensed Structural Engineering Consultants or Firms to provide an emergency diagnostic evaluation, structural retrofitting recommendations, and comprehensive site monitoring for an existing G+2 storied RCC frame building experiencing structural cracks. The structure, situated at Panskura Basar, Purba Medinipur, West Bengal, has an approximate footprint of 1,000 sq.ft. per floor (Total Area: ~3,000 sq.ft.) which recently is exhibiting structural defect and developing deep cracks along critical column nodes, beam spans, and masonry partition infill walls, demanding immediate engineering stabilisation.

The building is 40 years old and currently operates as an office-cum-godown. Furthermore, the building immediately adjacent to this structure houses a production unit equipped with working semi-power looms.

- I. You are invited to submit your most competitive financial proposal for the following consultancy services.

Sl. No.	Description of Consultancy Services	Period of completion
1	Hiring of licensed and registered Structural Engineering Consultants / Firms for the structural health assessment and formulation of a strengthening plan for a G+2 Storied RCC Frame Building (1,000 sq.ft. per floor) located at Tantuja Training cum Production Centre at Panskura Bazar, Purba Medinipur.	5 days from issue of work order

II. Date & Time Schedule:

Sl. No.	Particulars	Schedule
1.	Start Date	03-10-2026 at 11:00 AM
2.	End Date	08-10-2026 at 12:00 PM
3.	Submission of required documents in sealed cover.	
4.	Submission of rates in sealed cover.	
5.	Opening date of quotation & documents	08-10-2026 at 04:00 PM
6.	Venue for the submission	Gr.fl., Tantuja Bhavan, Block - DD, No. 18/4, Sector - I, Bidhannagar, Kolkata – 700 064

III. Location of Site: Tantuja Training cum Production Centre at Panskura Bazar, Purba Medinipur.

IV. Scope of Works:

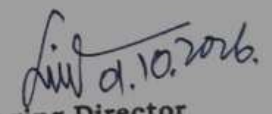

- Site inspection: Conducting a physical site inspection at the Tantuja Training cum Production Centre at Panskura Bazar, Purba Medinipur. All necessary travel logistics and transportation shall be arranged by Tantuja.
- Recommendation & Report: Formulating a comprehensive structural health assessment report explicitly prescribing and suggesting the exact technical remedies required to strengthen the G+2 building.
- Detailed Drawings: Providing clear, comprehensive structural layouts and detailed working drawings based on the recommended strengthening framework to guide the execution team.
- Monitoring: Periodically monitoring and supervising the ongoing on-site repair works to ensure strict compliance with the structural engineer's technical recommendations and report specifications

V. Eligibility Criteria:

- Professional Registration: Must be a Registered Structural Engineer (Class-I / Grade-I) with an authorized competent authority.
- Technical Experience: Minimum 5 years experience in structural engineering consultancy, specifically in structural health monitoring, distress diagnosis, and retrofitting design of RCC structures.
- Track Record: Successful completion of at least 1 or 2 similar emergency retrofitting/rehabilitation projects of RCC buildings within the last 5 years.

VI. Contact Person: Manager (Civil), Mob: 9475225039, Mail id : tantujasarees@gmail.com

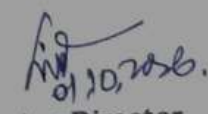

N.B. The Consultant or Firm shall submit their Consultancy Service Fees including all applicable taxes in a separate, sealed envelope.
